

## Notre Dame Scrip Program

### \$\$\$ Support your School Support Yourself \$\$\$

**Scrip Cards** are gift certificates issued by many stores in our community where you shop regularly. Notre Dame is able to buy these certificates at a discount and resell them to you at face value. The discounts vary from store to store and range from 2-13%. Simply put, that is the school's net profit. There are over 8,000 churches and nonprofit organizations in 46 states involved in this national nonprofit movement. Many of these organizations are raising \$50,000 to \$100,000 a year with national Scrip. We hope to achieve this kind of success within two years.

**What's in it for me?** Your participation in this program doesn't cost you anything! If, for example, you buy \$100 worth of JC Penney gift certificates, you still have your full \$100 to spend at JC Penney on whatever you want, just like cash. Since our organization bought the gift certificates for \$95, JC Penney has in essence donated \$5 to Notre Dame. Two percent of everything you purchase goes toward your ND tuition or 6 other funds (check out our Scrip Enrollment Form for details). Click on the link for the complete policies of the Notre Dame Scrip Program and learn how you can **"Support Your School and Support Yourself"**.

**There is no difference between Scrip and cash** when you use the certificate for that store. Scrip cards are easy to use and buy and in most cases there are no restrictions. Unless otherwise noted, Scrip can be used for all store merchandise. You may buy anything you want, with little exclusion. You can still use store coupons and buy things on sale.

### How Can I Order?

For your convenience, you can click on the link to get a printable order form for the Great Lakes National List. You can also click on this link to get the Notre Dame Scrip Order Form. Turn your order forms with payment enclosed to the Elementary Office or Business Office by 11:00 am on Thursdays. In most cases, your order arrives the following Tuesday afternoon with exceptions during the Christmas season. The form lists stores in Burlington and surrounding areas that are involved in the program. The percentage they give to the school is also listed. We carry a large inventory in the Elementary and Business Offices, so come check it out.
